MAKES ASSOCIATES

Achieving Excellence With Every Delivery

About Us

Makes Associates, established in 2021, is a proprietorship firm promoted by Mr. Elangovan, a Mechanical Engineer with over 35 years of experience in industrial business development across power, oil & gas, petrochemical, and related sectors in India and abroad.

Vision

To become a recognised export company for industrial goods and agricultural products, serving a diverse client base across global markets.

Mission

To deliver products on committed timelines in compliance with customer requirements, applicable standards, and quality expectations.

Values

Ethics first, transparency in every transaction, and consistent commitment to quality and delivery.
